# Oracle EPM Cloud Go Live

### Industry: Professional Services

Travel Nurse Across America | Little Rock, AK | [www.tnaa.com](http://www.tnaa.com)

Products Purchased: Oracle EPM Cloud - Planning

Systems Replaced: Microsoft Excel

**Travel Nurse Across America (TNAA)** was founded in 1999 by people who believed they could change the healthcare traveler industry for the better. This vision, along with a culture of honesty, transparency, and unmatched customer service, continues to guide their growth.

### Oracle EPM Cloud - Solution & Key Accomplishments

Travel Nurse Across America had been completing all financial reporting through Microsoft Excel which created a non-integrated and cumbersome process. A high volume of large, manually maintained spreadsheets were required to support the reporting activities of the organization, and the process lacked standardized controls around metadata and data mappings. Partnering with Peloton Consulting Group, the TNAA Accounting and Finance teams achieved a more automated central reporting solution while establishing a foundation for later Planning needs in Oracle EPM Cloud.

The following benefits were achieved over the course of this implementation:
